

CITIZEN POWER

Public Policy Research Education and Advocacy

“Green Grants” Application Form

Eligible Applicants: teachers, schools, school districts, and non-profit organizations in western Pennsylvania

Project Criteria (at least one):

- Provides an educational experience pertaining to energy conservation, energy efficiency, or renewable energy technologies.
- Has the potential to reduce energy consumption or increase energy production from a renewable energy source.

Grant Amount: \$500 (per classroom); \$1,500 (per school); \$5,000 (per school district or organization)

Grant Conditions:

- Citizen Power may request additional application information.
- Recipients will be required to submit a Form W-9, Request for Taxpayer Identification Number and Certification.
- Recipients must provide a follow-up report detailing the implementation, impact and outcome of the project within a ninety day period after project completion.
- In the case that vendors are not paid directly, recipients must provide receipts verifying expenditure of funds, and/or return unexpended funds within a ninety day period after project completion.

Return Application to:

- Janice Serra, Citizen Power, 2121 Murray Avenue, Pittsburgh, PA 15217
- Questions may be directed to Janice Serra at 412-421-7029 x208 or serra@citizenpower.com.
- In order to be considered, your application must be typed on a separate page(s) and include all of the requested information as listed in the lower portion of this form titled “Application Information Required”.
